For those of us today, memories
be made of "Doctor Henry S.
I'm sure no one past or ne
come could give to the Sunday
more than he gave. The heat
in which the girls and boys
basketball, the cars full of
off to the "Y" to swim, the
School picnics with all the
dogs, watermelon a person co
are memories which will ling
many. He would find teach
would fill in when someone
sent, and in these and other v
gave to each person who kno
