

Lenten Gatherings will be held each Wednesday evening during Lent, starting February 22. The gathering begins with a prayer and a meal of soup and bread. After the meal, there is a time of singing, a prayer for the needs of others, a skit, and a short message. The Lenten Gatherings begin at 6:00 and end at 7:15. The Catholics and Methodists have been invited to share this time with us, and their pastors will bring some of the messages.
